application: Reverse Osmosis
Reduction of TDS

model: SQC-4
8.28 Gallons per day
31.3 Liters per day

Four Stage Filtration
1. Sediment Prefilter
2. Granular Carbon Filter
3. RO membrane
4. Carbon Block Postfilter

REDUCTION CLAIMS

• Arsenic (pentavalent) • Barium • Cadmium • Chromium (Hex.) • Chromium (Tri.) • Copper • Cyst • Fluoride • Lead • Radium 226/228 • Selenium • Total Dissolved Solids (TDS) • Turbidity • Chlorine Taste and Odor

PRODUCT BENEFITS

• Four stage filtration
• Sanitary quick change system eliminates the need to handle filter media
• Easy to change filter, 1/4 turn
• FDA CFR-21 and or NSF compliant materials
• Limited Warranty
• Third Party tested and approved
• Self Cleansing technology for RO Membrane
• Slim profile, space saving design
• No electricity required, powered by water line pressure
• California certification 08-1902

Water Factory Systems™

**PHYSICAL SPECIFICATIONS**

- Includes 2.5 Gallon Storage Tank
- Inlet and outlet plumbing connections are quick-connect push-in style
- Max Operating Pressure of 100PSI and Operating Temperature of 100°F
- System is NSF Certified for Std. 42 & 58 for reduction of claims specified on the Performance Data Sheet
- NSF Certified Stainless Steel Faucet included

**SAFETY INFORMATION**

**WARNING:** To reduce the risk associated with the ingestion of contaminants:
- Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.
- Systems certified for cyst reduction may be used on disinfected water that may contain filterable cysts. EPA Establishment #070595-CT-001.

3M Purification Inc. recommends regularly scheduled maintenance and replacement of the filter cartridge(s) in order for the product to perform as advertised/sold. 3M Purification Inc. shall not be liable for system failures due to improper maintenance.

**LIMITED WARRANTY**

3M Purification Inc., warrants this Product will be free from defects in material and manufacture for the following periods from the date of purchase: 10 years for the Product, except for the replacement filter cartridges and membrane, which are warranted for one year. This warranty does not cover failures resulting from abuse, misuse, alteration or damage not caused by 3M or if failure to follow installation and use instructions. No warranty is given as to the service life of any filter cartridge or membrane as it will vary with local water conditions and water consumption. If the Product fails to satisfy this Limited Warranty during the warranty period, 3M will replace the Product or refund your Product purchase price. This warranty does not cover labor. 3M MAKES NO OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY IMPLIED WARRANTY OR CONDITION ARISING OUT OF A COURSE OF DEALING, CUSTOMER OR USAGE OF TRADE. The remedy stated in this paragraph is Customer's sole remedy and 3M’s exclusive obligation. For additional information, see the entire Limited Warranty located in the product Installation and Operating Instruction Manual.

Limitation of Liability:
3M Purification will not be liable for any loss or damage arising from this 3M product, whether direct, indirect, special, incidental, or consequential, regardless of the legal theory asserted, including warranty, contract, negligence or strict liability. Some states and countries do not allow the exclusion of limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
